31st Annual Construction Expo of Maine and Women in Construction Banners

The National Association of Women in Construction Maine Chapter will be joined by the Eastern Maine Chapter in celebrating “*Women in Construction Week*” March 7 – 13, in honor of ALL Maine women in construction. Part of this celebration will be carried over to Expo, which is the display of our Women in Construction banners.

As a prominent member of the construction industry, we are offering you the opportunity to sponsor a banner, with a picture of a woman employed in a non-traditional or key position within your company. The fee is designed to cover the cost of the banners, and your sponsorship will be for a **three year period**, after which time, we will contact you regarding renewal. We are offering the following sponsorship:

\$250 each for 3 years

The 3’X5” banners will be hung around the perimeter of the Civic Center. Each sponsor will have their logo on a sponsor banner to be displayed in a strategic location. Sponsors will also receive recognition in our newspaper advertising and in a supplement to the Expo program distributed at the show. Join the 40 sponsors that signed in prior years. Email a high resolution photo, name and position of subject and company logo to ConstExpoME@aol.com as soon as possible, and no later than April 1.
